DEDICATION

You, Coach McLeod, can be seen almost anywhere we go, summer or winter, in the classroom, field or court.

You became a faculty member of Brevard High School in 1955 and during that time have helped us achieve many honors in football, basketball, and track.

The Brevardier has chosen you, Coach Don McLeod, for your leadership and understanding to be presented with this our 1959 Brevardier.

FOREWORD

As we float on the clouds of memories, and journey back on the stairways of time, we will again enter the hallways of Brevard High School and all our activities will come to life before us once more.

Our dream is that this *Brevardier* will be the Key to Your Gateway of Memories.

ADMINISTRATION

MR. R. T. KIMZEY
Principal

Could there be any other school in North Carolina with a more efficient administration and faculty than we are so fortunate to have here at Brevard High School?

Through their timeless effort, understanding, and hopes to build a better school system, we have advanced rapidly forward and achieved many of our hopes and ideas.

We, the Seniors, especially wish to express our gratitude for the help and guidance you have shown us during these four years of our high school education. We only hope that you will achieve as much success and happiness in your new location.

"WE CLOSE THE DOORS"

SENIOR CLASS OFFICERS

President	Billy Joe Smith
Vice-President	Hugh Bradburn
Secretary	Robert Green
Treasurer	Sarah Ramsey

Freshmen . . . Sophomores . . . Juniors . . . and now we are Seniors, prepared to be ushered into the Adult World. As we go we realize more than ever that the greatest privilege in our Great Democracy is the freedom of knowledge. For four years we have been nourished by this freedom.

We have learned that the foundation of all true knowledge is to know ourselves. Our class has been blessed with different individual talents. We have taken our honors in athletics, the debating team, 4-H Club, band, and we must not forget our scientist.

We have our share of good memories to look back upon, the Junior Play, our Junior-Senior Fair-land, The Sweetheart Ball, and of course our glorious Washington Trip.

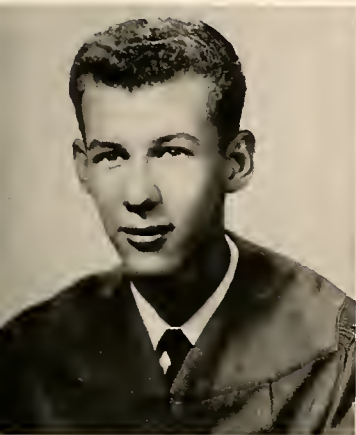

As we look into the future, we will continue to respect the past. We will remain proud and unbending, yet humble and gentle in success. We will keep that touch of humility which will help us remember the simplicity of true greatness, the open mind of true wisdom, and the meekness of true strength.

THE LONG GRAY LINE

With hearts looking back full of memories, and minds looking forward eagerly to the future—We proceed down the long gray line—Beside the people we came to know as friends and classmates—Toward college, service, jobs, or marriage—We go out into the world to take our place among the people in a nation of freedom—Out the doors we so often have entered, we go—The graduates of B.H.S. for 1959.

Being labeled a "brownie" worries him not a bit—He joined bands with adventure when he started his education—The only one of us who barks at Mr. Kimzey and gets away with it—Once you've petted him you have a loyal friend, plus some fleas—How he makes it down the hall between 2nd and 3rd, we'll never know—If you feel as if a cyclone hit you and your feet fly up into the "wild, blue yonder," don't panic—it's only Brownie.

SENIOR ACTIVITIES

The Junior Class has made us proud! Being the first class to graduate from the new high school is perhaps the brightest gem in the glittering crown of the Class of '60.

Consider their contributions to the social and athletic life of B.H.S: they crowned two Popularity Queens, gave colorful and active participation to the cheerleaders, added strength to the powerful Blue Devils, and lent charm and beauty to the Sweet-heart Ball and the Junior-Senior. Studious and tal-

ented was this class also. The Glee Club and Band benefited from their efforts, the Junior Play deserved a six-gun salute, and the Beta Club added loyal members from its ranks.

In the discharge of their duties, words, and deeds, they tried to serve honestly, loyally, justly, mercifully, and charitably.

Yes, they are proud because their class pens will never write the saddest words of all, "They might have been."

In its second year at BHS, the Class of '61 further distinguished itself by its brains, brawn, and brilliant work.

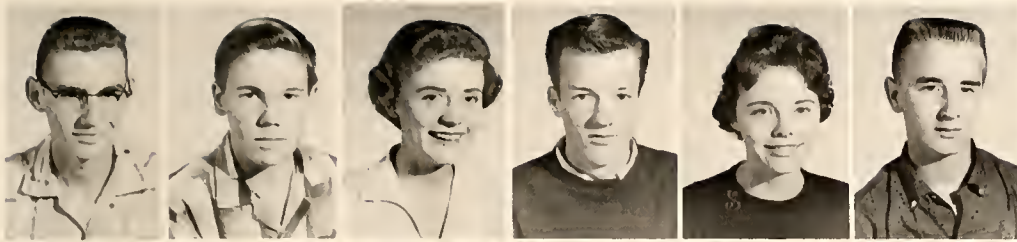

It became the first class in the history of the school to have three representatives at the Academic Field Day in Cullowhee, and one member won a district award.

The BHS athletic teams added to their prowess by

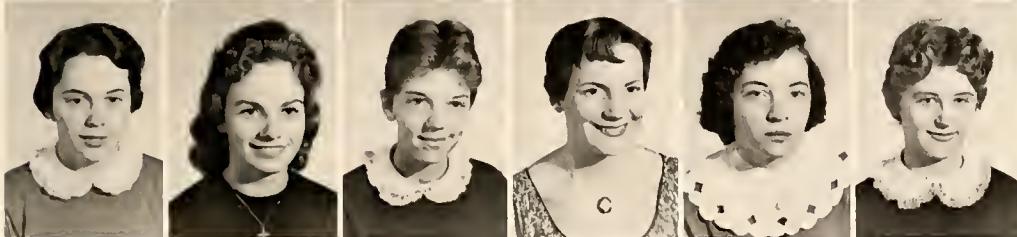

the addition of muscular members from the ranks of the sophomores, while the girls contributed their beauty and charm as cheerleaders and majorettes. Active participation in the 4-H Club led to the crowning of a district winner from this class.

Surely, possessing so much skill and enthusiasm, this class will be heard from in the years to come.

FRESHMAN CLASS OFFICERS

Never before has Brevard High School admitted so many freshmen in one school year. The problems of the first few weeks were ironed out, and they entered happily into the routine of the school.

These promising plebes showed signs of future greatness from the beginning. The boys displayed their merit on the JV football team and the basketball squad, while the girls were busy cheering them

on as JV cheerleaders and as majorettes in the band.

A healthy dose of school spirit was in evidence as the Booster Club increased its ranks with many members of this first-year class.

Bewildered and lost at first, perhaps, but showing the will to learn, this class will go to the new high school next year with the desire to live up to the standards set by the upperclassmen.

AN ATHLETE'S PRAYER

Our God, our one Head Coach divine,
 Guide us through life's playing time.
 Teach us how to play the game
 Only in a sporting vein.
 Endow us with the will to win,
 With a spirit striving from within.
 And Coach, teach us as we live and learn
 To expect only what we rightly earn.
 Quitting never, though discouraged, be
 Ever true to self, to team, to Thee.
 Keep us clean in speech and thought,
 In doing, and in living as we ought.
 Of hate and envy keep us free,
 For more deserving man than we.
 Prepare us now in friendly strife
 On the playing field of life.
 And someday, Master, Coach Supreme,
 Let us play on your great team.

Our record for '58 is good evidence of the caliber of our coaches. They have worked diligently throughout the fall, conditioning and molding their boys into competent, well-trained football players. Their patience and understanding have won them the respect of the entire school as well as the players. We sincerely thank them for the fine work in helping us to have another highly successful season. We feel confident that their undying efforts will pay off again next year.

No one in school has more pep, more energy, or more spirit than our busy cheerleaders. They are always ready to give a few words of encouragement when the going is rough. And when B.H.S. comes out on top, our cheerleaders have inspired our players to do their best.

Other schools looked on with admiration mixed with a tinge of envy when they received the trophy for the best cheerleaders in the Blue Ridge Conference last year. With their attitude, co-ordination, friendliness to everyone, and remarkable spirit, we congratulate them on their honor. These are the qualities of a true cheerleader.

Willingness to do this, and effort behind it, puts a spirit in our team that can not be discouraged. These qualities are what make a basketball team strong in heart and mind as well as in co-ordination. Lack of experience has handicapped the Blue Devils somewhat this year, but we feel they have done well and have shown excellent sportsmanship. Since only two members will be lost by graduation, a real powerhouse is anticipated for next year.

The new coach, Henry Smith, feels that the boys have learned a great deal this year and worked together as a team, which in his opinion is the key to a good basketball team.

Hampered more by bad weather than the opposing teams, the Blue Devils encountered a season of only eight games. With a solid staff of five returning lettermen and a fine crew of freshmen, the Brevard nine looked impressive at times, losing to a powerful Waynesville team by a score of only 1-0.

Only one member of this year's team is being lost by graduation and next year, with a little luck and a lot of good weather, the Devils will be a strong contender.

4-H CLUB

Arguing for and against issues of national interest, these young orators develop poise, clear thinking, and speaking ability. With the return of the team which traveled to the State Finals last year, this year's group hopes to equal or surpass its predecessors' accomplishments.

Throughout the world the 4-H Club is recognized as the foremost youth organization, dedicated to the development of leadership and character. Nowhere was this more evident than at Brevard High, where local, state, and national honors were won. Distinguishing themselves at the State Fair, Electric Congress, and at out-of-state conventions, the members enjoyed a busy and successful year.

MARCHING BAND

JOAN BAGWELL represented our school as our drum majorette. In the halftime shows she changed suddenly from a majorette to a firebird and before on owed crowd she tossed fire recklessly into the air only to catch it and send it whirling round and round again. She has added much to the band's performances.

In the spring of 1945 a program of instrumental music training was sponsored by Mr. Harry H. Straus, President of the Ecusta Paper Corporation. At that time there was no opportunity in the county for interested young students to get this kind of instruction. Since this time the band has advanced in number and has achieved a superior rating in Greensboro.

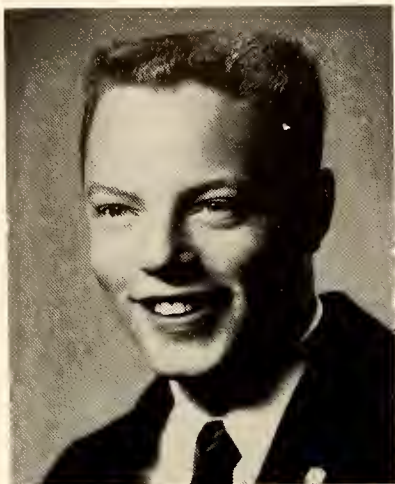

The Brevard High Marching Band takes a major part in the activities of the school; they participate in parades, concerts, and numerous other activities. The members of the band work hard in the summer to prepare for the winter's activities. Their achievements rank at the top of the list.

The Broadcaster, Brevard High's prize winning newspaper, continues to bring us the events and happenings around B. H. S. The students look forward to each issue with excitement and expectation, waiting to see what news the reporters have "dug up" each time.

Having a journalism class and approaching the Broadcaster production from a class view point has made the work of the staff easier, and it is hoped more satisfactory. The sixteen members of the staff leave to next year's class all the fun of running down typographical errors, making news happen to fill up space, learning newspaper punctuation and terms, and putting your names in print.

"Let's vote again; we can't put all of them in one paper."

BREVDIER STAFF

We, the Brevadier staff of B. H. S., with the realization that we will be the last graduating class from this school, have endeavored to put into this annual the joys, accomplishments, academic, and athletic achievements of our student body. We hope we have also revealed some of our ideas and dreams.

Early last spring the staff began its photographing and started thinking of new ideas. Before long everyone was busy at work. Ideas were changed, argued about, and at last put in print. Long before the an-

nual was completed the literary staff was talking in rhymes, pictures were the dreams of the photography staff, the business and circulation staff had dollar marks for eyes, the co-editors weren't sure of anything, and our advisor was at a complete loss.

As each page of the Brevadier holds a special memory for every annual member, we hope that our endeavors have accomplished the feat of transporting you to the "gateway of memories."

When entering "Dreamland," one was greeted by fluffy clouds, gumdrop trees and Cupid himself. Love was at every corner, hoppiness at every bend, and all too soon it come to an end.

It's easy for these boosters to keep school spirit at a fever pitch because they themselves are so energetic. The Sweetheart Ball, training candidates for prospective cheerleaders, and boosting our teams to

victory are among the many projects by which they support our Blue Devil teams and help to unite the student body.

SERVICE ORGANIZATIONS LIBRARY

LEFT TO RIGHT: J. Ayers, P. Brown, W. Grogan, V. Horris, P.

To help someone is to make a friend. In the library, they strive unceasingly to aid their classmates in locating a good book. A fraction of their task consists of checking permits, returning books to their proper places, and collecting fines. Although at times

Cantrell, B. Allen, C. Ingle, L. Sutton, Mrs. Galloway, Librarian. their toil seems endless, they are compensated by the realization of the fact that they are enabling our school to reach a higher rank in the realm of reading.

The members of the office staff are the immediate cause of the smooth efficient work you see year round at B. H. S. Their duties are not merely centered around the main office, but are concerned with every

classroom, teacher, and pupil. The businesslike workmanship of this group sets a superlative example for the school to observe.

student. The fact that they measure up to their serious responsibility so well proves that they are top-notch guys.

QUEEN
Gloria Shook

Gloria Shook was chosen Huddle Queen of 1958-59 by the Blue Devil football team. She was crowned at half-time ceremonies by the football captain, Jerry Cabe.

The annual Monogram Dance with the theme "Winter In Wonderland" was held, and at intermission, Gloria and her attendants received loving cups. The dance immediately following was in honor of the Homecoming Court, and as they danced into the snowflakes, the memory of a beautiful dance and reign was locked in their memories forever.

HALL OF FAME

ATHLETICS

Leading the way to athletic prominence for B. H. S. in 1958-59 Jerry Cabe and Cecil Lowery exemplify the ideal in sports performance. Both boys were re-

warded for their outstanding ability by receiving these coveted trophies. Jerry was awarded the Moose trophy, and Cecil was presented the Lance trophy.

HONOR STUDENTS

In the Graduating Class of '59 are Floyd McCall—first hanar student, Tommy Gardner, Susan Hollis, Martha English, and Joe Farmer—honor students. These students have excelled in academic accomplishments from the time they were freshmen. As they have advanced in their learning, they have brought hanor and prestige to our school.

GIRLS' AND BOYS' STATE

Far their outstanding qualities of leadership, Thalia McCrary and Jerry Cabe were chosen to be Brevard High's 1959 representatives to Girls' and Boys' State.

HALL OF FAME

CECIL LOWERY

After a brilliant high school career in football, which won for him the captaincy of his team, the Rotary trophy, and the Lane Memorial trophy, Cecil was named as an All-State player, an honorable mention on the "All American" team, and a spot on the Shrine Bowl team. In addition to this he was given a place on the East-West squad.

In the Shrine Bowl game Cecil backed up the statement of many coaches and writers—that of being the "finest player in N. C." He scored one touchdown, set up two others, ran back punts and kickoffs for 62 yds., and played over half the game on defense. He gained 118 yards in 9 carries and these accomplishments made him the outstanding player of the game. He also received salutes from the coaches and writers.

As usual, the race for Popularity Queen was full of enthusiasm and excitement. The four candidates for the title were: Shirley Moore, Senior; Peggy Owen, Junior; Brenda Gardner, Sophomore; Sara Varner, Freshman. At the annual talent show, Peggy Owen was declared the winner in a very close contest.

POPULARITY QUEEN

D. A. R.

Susan Hollis was chosen to represent our school as the D. A. R. Good Citizen. Her many talents have made their appearances in her activities in our school.
